WHAT AAA APPROVAL MEANS TO YOU

Our network of approved facilities have passed a thorough inspection, meeting AAA standards for competency and training, cleanliness, and customer service to provide you:

VALUE: AAA Members receive 10% off labor at participating AAR facilities, up to \$50 per service! Plus, work is completed by ASE, or equivalent, certified technicians.

WARRANTIED REPAIRS: All repair work, including parts and labor, is covered by a 24 months or 24,000 miles warranty, whichever comes first.

NO SURPRISES: Before any work is done, you will be provided a written estimate. The total cost will not exceed the written estimate by more than 10% unless you approve it.
